Thanksgiving Carnival

On Wednesday, November 25th, students will participate in a STEAM Thanksgiving carnival with their class. Students will create a carnival game with their class and then will have the opportunity to travel to all of the classes to play all of the games in the carnival. The Thanksgiving carnival will start at 9 AM and then students will return to their classes for party snacks, games, and activities. Parents who would like to volunteer to help at the Thanksgiving carnival or would like to send in a treat for the party can sign up using the link emailed by their teacher. All party volunteers must submit clearances and have approval from school administration before volunteering. Party volunteers should plan to be at MCA from 9 to 11:30 AM.

At Home

The students have been working so hard at school learning and practicing all of their new skills. As we head into the holiday season, with several breaks from school, we encourage you to invite your child to practice what they have been learning at home through some fun activities listed below.

- Roll out play dough "snakes" and use scissors to cut into smaller pieces.
- Thread beads onto a pipe cleaner or shoelace.
- Go on a letter hunt - pick a letter and see how many you can find.
- Count stairs as you walk them or count how many crackers you are having for a snack.
- Use tongs or tweezers to pick up small objects and put them in a container.

Race & Fall Festival

On Saturday, November 7th our Running Club will participate in a race! All students are encouraged to come out and support the runners at 11 AM. Directly after, our Fall Festival begins at 12 PM with hayrides, games for the kids, a soup and chili cook-off, and a dessert auction. It is going to be a great day and we hope to see you there!

Parent-Teacher Conferences

We are looking forward to meeting with you on Tuesday, November 10th to talk about what your child has been learning! We ask that a parent or guardian for each student signs up for a 15 minute parent-teacher conference. Sign up links will be emailed out to parents. Please sign up for a conference by Tuesday, November 3rd.
